Description

An imperfectly perfect dainty shell chair by Hampton & Sons of Pall Mall - London. Retaining its original blue silk and thread bare green velvet fabric. Its kind of shabby and all the better for it. Raised on turned walnut legs and all retaining the Hampton casters. We can have this recovered in a fabric of your choice but to be honest the appeal of this chair to me is in its splendid country house condition. Structurally sound and surprisingly comfortable. 32cm seat height.
